Financial Aid Programs for Delaware Educators

The state offers specific programs for Delaware educators who teach in high-need education fields and/or high-need schools.

Educator Support Scholarship

Applicants must be enrolled in high-need undergraduate or graduate education degree programs

Award: \$5,000 at any Delaware institution enrolled in the 2025-2026 school year. Educators can reapply each year.

Eligibility: Graduate and undergraduate students enrolled in an eligible bachelor's or master's degree program at a Delaware institution. Visit the website to learn more about eligible majors.

Application Deadlines: Scan the QR code below to view application deadlines and to apply.

Critical Needs Reimbursement Program

For educators who hold an Emergency Certificate or a Certificate of Eligibility in a high-need area during the time coursework was taken.

Award: Awards estimated up to \$1,300 for each course. A maximum of six credits can be reimbursed each academic year.

Eligibility: Educators teaching at a Delaware public school while on an emergency certificate or certificate of eligibility. Educators must be enrolled in an eligible program that leads to standard certification in a high-need area.

Application Deadlines: Scan the QR code below to view application deadlines, additional eligibility requirements and to apply.

Redding Schools Support Scholarship!

For eligible employees working in a Redding Consortium School and pursuing a degree or credential in an education program at a Delaware institution

Award: Award amounts vary and are based upon available funding from the Redding Consortium.

Eligibility: Educators teaching at a Redding Consortium school during the application and 2025-2026 school year. Eligible employees can be enrolled in an undergraduate, graduate or certificate education program at a Delaware institution.
